Animal center receives recognition, accreditation

Palm City Animal Medical Center recently received accredi-

tation following a comprehensive evaluation by the American Animal Hospital Association.

The evaluation includes a quality assessment review of the hospital's facility, medical equipment, practice methods and pet health care management.

Only 15 percent of small animal veterinary practices in the United States have achieved AAHA accreditation.

"Palm City Animal Medical Center belongs to a select group of practices that are committed to meeting the standard of veterinary excellence," said Dr. Gregg Takashima, AAHA president.
